SNOOKER CLUB NEWS.

Well we have reached the middle of the year, as President since our AGM I have enjoyed challenges put forward by our Committee & Members, in leading our club towards a successful year.

Our Friday & Sunday raffles are going well & keeping us financially thanks to all the Members & guests for your participation.

We are now into the second round of the Shoalhaven District Division 1, 2 & 3 Competition with all Divisions doing extremely well.

Our internal Doubles Competitions are well underway with Singles to follow. Billiards was well represented this year with a smashing final between Chris Goldsmith & Dave Fuller, playing a first to 300 points frame with Dave Fuller 31 behind after 2 hours showing exceptional form taking the win on the night over Chris – Congratulations to Dave.

Veterans Shoalhaven District Snooker was played at SGB on Sunday 18/6/17, a good day had by all with a win to Tony Rapps from Bomaderry RSL.

Our yearly trip away to Albury is due with Members leaving on the 23/6/17 for a well earned weekend away. Good luck to all players.

The Friday night Pool Competition run by Paul Davis is doing very well with consistent numbers of people playing each week at $3.00 entry – why wouldn't you have a go, returning $100.00 Club Cash prize money.

Trevor Earle our Vice President along with Mick Boyne a member of the Snooker Club are doing a fantastic job with tuition for our Junior players on Thursday nights from 6pm.

Keeping you up to date in snooker

Peter Clarke – President.
