- (a) The Registered Clubs Act and Registered Clubs Regulations enable boards of registered clubs which have seven (7) directors (like the Club) to appoint up to two (2) Board Appointed Directors.
- (a) The power to appoint Board Appointed Directors is intended to allow boards to identify persons with particular skills, expertise and experience which may be beneficial to the registered club and allow the Board to appoint those persons to the Board.
- (b) The provisions of the Registered Clubs Act and Registered Clubs Regulations (being the power referred to appoint Board Appointed Directors) will apply irrespective of whether or not the Constitution contains provisions expressly stating the Board can appoint Board Appointed Directors.
- (c) Although it is not legally required to do so, the Board believes that it is prudent for the power to appoint Board Appointed Directors to be incorporated into the Constitution so members are aware of the provisions and their operation.
- (d) The provisions to be inserted into the Constitution reflect the Registered Clubs Act and Registered Clubs Regulations and do not provide the Board with any powers over and above those contained in the Registered Clubs Act and Registered Clubs Regulations.
- (e) For the avoidance of doubt:

The Board Appointed Directors are **in addition** to the seven (7) directors elected by members or appointed by the Board to fill casual vacancies; and

The Board is not required to appoint any Board Appointed Directors but it may do so if it wishes;

Any person appointed by the Board as a Board Appointed Director only has to satisfy the requirements of the Registered Clubs Act and Registered Clubs Regulations to be appointed and does not have to satisfy any requirement in the Constitution;

If a person is appointed to the Board, the Club must, within twenty one (21) days of the appointment, display a notice on the Club's noticeboard and website stating the reasons for the person's appointment, the person's relevant skills and qualifications and any payments to be made to the person in connection with his or her appointment.

Rule 29.5 provides that a member is not eligible to stand for or be elected or appointed to the Board if they are an employee of the Club, currently suspended from the Club and/or not a financial member of the Club.

Rule 297 inserts a new provision which states that any person who is elected or appointed to the Board must complete mandatory training requirements for directors as prescribed by the Regulations made under the Registered Clubs Act (unless exempted).

GENERAL MEETINGS

Rules 37.1 to 37.17 inclusive relate to the calling and holding of general meetings (and Annual General Meetings) of the Club. However, they are more comprehensive than the existing Articles.

The requirement relating to members making a written request calling upon the Board to convene a general meeting has been amended to reflect the Corporations Act. In this regard:

the existing Articles provide that five percent (5%) of the voting membership or one hundred (100) members may make a written request calling upon the Board to convene a general meeting. This reflects the former requirements of the Corporations Act; and

the proposed Constitution provides that five percent (5%) of the voting membership may make a written request calling upon the Board to convene a general meeting. This reflects the current requirements of the Corporations Act.

Proxy voting is not permitted. This is a requirement of the Registered Clubs Act.

Every member eligible to vote, either by show of hands or a poll, is entitled to one vote.

A member, who is also an employee of the Club, is not permitted to vote. This is a requirement of the Registered Clubs Act.

All questions and resolutions (other than Special Resolutions) shall be decided by a simple majority of votes.

Voting shall be on a show of hands unless a poll is demanded

QUORUM AT GENERAL MEETINGS

Rules 37.31 to 37.34 inclusive detail the quorum required for general meetings.

Rule 37.31 provides that no business may be transacted at a general meeting unless a quorum of members is present.

Rule 37.32 provides that, at any general meeting (including an Annual General Meeting) convened by the Board), thirty (30) members present in person and eligible to vote constitute a quorum. This is consistent with the existing Articles.

Rules 37.33 and 37.34 set out the procedure to be followed if a quorum is not present.

MEMBERS' RESOLUTIONS AND STATEMENTS

Rule 38 provides for members' resolutions and statements by members.

The proposed new Constitution provides that individual members may submit items of business and notices of motion provided they are received by the Secretary of the Club at least forty-two (42) days prior to the date fixed for an Annual General Meeting. Forty-two (42) days will allow sufficient time for the item of business or notice of motion to be incorporated into the notice of meeting and sent to members and, if necessary, for the Board to get advice about the particular item of business or notice of motion.

The Board retains the discretion as to whether to include the suggested items of business or notices of motion in the business of the Annual General Meeting. This is important as the item of business or notice of motion may be illegal or not in the best interests of the Club.

Rule 38 also sets out the procedure for members to require the Board to include an item of business or notice of motion in the business of an Annual General Meeting.

MINUTES

Rule 39 provides that minutes of all resolutions and proceedings at general meetings must be entered in the Minute Book within one month of the meeting and signed by the chairperson of that meeting or the chairperson of the next succeeding meeting.

ACCOUNTS

Rule 40 deals with the accounts and reporting to members and is consistent with the Corporations Act and Registered Clubs Act.

FINANCIAL YEAR

Rule 41 provides that the financial year of the Club shall commence on the first day of July in each year and will end on the last day of June in the following year. There is no change to the financial year of the Club.

AUDITOR

Rule 42 requires the Club to appoint an auditor. The auditor holds office until removed by the members in general meeting or resigns from office or dies. This is a requirement of the Corporations Act.

SECRETARY

Rule 43 requires the Board to appoint one Secretary who will be the Chief Executive Officer of the Club for the purposes of the Registered Clubs Act.

EXECUTION OF DOCUMENTS

Rule 44 deals with execution of documents and the common seal of the Club.

NOTICES

Rule 45 proposes to introduce an additional way in which the Club may give notices of general meetings (including Annual General Meetings) to members.

It proposes that:

(a) A member may nominate an electronic means (the nominated notification means) by which the member may be notified that notices of meeting are available and an electronic means (the nominated access means) the member may use to access notices of meeting; and

(b) If a member has made the nomination referred to in paragraph (a), the Club may give the member notice of the meeting by notifying the member using the nominated notification means that the notice of meeting is available and how the member may use the nominated access means to access the notice of meeting.

The above procedure is permitted by the Corporations Act.

By way of example, the above procedure could involve:

(a) a member making a written nomination to the Club that he or she wishes to be notified that notices of meeting are available by text message and that he or wishes to access notices by clicking the link in the text message; and

(b) after receiving that written nomination, the Club sends a text message to the member notifying him or her that the notice of meeting is available and it can be accessed by clicking the link in the message.

Members will only receive notices of meeting in the above manner if they nominate to do so.

INDEMNIFICATION OF OFFICERS

Rule 46 deals with the insurance and indemnification of the officers and auditors of the Club in accordance with the Corporations Act.

INTERPRETATION

Rule 47 provides that a decision of the Board on the construction or interpretation of the Constitution or any Rule, or any policy of the Club made pursuant to this Constitution or on any matter arising therefrom, shall be conclusive and binding on all members of the Club.

AMENDMENTS TO CONSTITUTION

Rule 48 provides for amendments to the Constitution. The Constitution can only be amended by way of Special Resolution passed at a general meeting of members. Only Life members, Club members and Vincentia Golf Club members can vote on any Special Resolution to amend the Constitution. This is consistent with the existing Articles and the existing practice of the Club.

It is hoped that this summary will provide members with sufficient background and information to enable them to make an informed decision in relation to the proposed special resolution to adopt the new Constitution. However, there may be matters about which members may have questions not covered by this Memorandum. In those circumstances, they are invited to raise their questions with the Chief Executive Officer who if necessary will obtain advice from the Club's lawyers to pass back to the member.

The Board considers the proposed new Constitution as being a significant improvement on the existing Articles and it recommends that members vote in favour of the Special Resolution. To be passed the Special Resolution will need votes from not less than three-quarters (75%) of those members who being eligible to do so vote in person at the meeting.
